Questions?

Individual athletes have been notified where race places have become available but for those athletes further down the reserve list this helps to show where the application of the teams has got to @ 01.05.2018. The International panel recognises that the selection policy can seem a complicated process and in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP on 07727 610732 or email andy.maddock@britishcanoeing.org.uk .
