Good Evening

It's that time again, the Slalom ACM is approaching. The ACM will be held in Nottingham at the British Canoeing Headquarters. Feel free to contact me (or them) for instructions if you're unsure where that is.

This year we have a number of motions that are expected to spark debate, from new plastic craft divisions, through SUP and changes to both veterans points and joint masters/ veterans rankings. So please read the Agenda <http://bit.ly/2022ACM-Agenda> and decide if you are coming to express your views or want to send a proxy and if so to whom.

If you are coming (or sending a representative or two) please email me [slalom.secretary@vol.britishcanoeing.org.uk](mailto:slalom.secretary@vol.britishcanoeing.org.uk) to let me know. This is not big brother so much as that we will be providing a lunch and need to have an idea how many to cater for.

The minutes from the the 2021 Slalom Annual Consultative Meeting can be found on line at <https://bit.ly/2021ACM-Minutes>

The papers for this meeting can be found at <https://bit.ly/2022ACM-Docs>. As new reports are completed they will be added here, so please check back regularly.

The minutes of the most recent slalom committee meeting can be found at <https://bit.ly/2022Dec>

This has been sent to the most recent registered contact we have for your club. Please update / re register using <http://bit.ly/2023ClubReg> This can be used no matter how many people there are in your club.

I look forward to seeing you in British Canoeing's Headquarters
