2023 Selection

The following updates are provided ahead of the 2023 Canoe Slalom Selection process:

Process of Qualification for 2023 Junior Team Selection:

All athletes ranked in Premier for the 2023 season are automatically eligible to participate in the 2023 Great Britain Junior Team Selection Series. In recognition of the ongoing impact of the pandemic on the ranking system, there will be minimum numbers introduced to junior selection as below:

	MK1	WK1	MC1	WC1
Minimum Eligible Athletes	20	20	12	12

For this reason, if the number of ranked premier paddlers is below the minimum number, places will be filled by reference to the final division 1 ranking from the 2022 season in order of eligible athletes. If minimum numbers are not filled through Division 1 ranking then no further places will be offered (e.g. the list will not extend to division 2).
