

Bib Application System

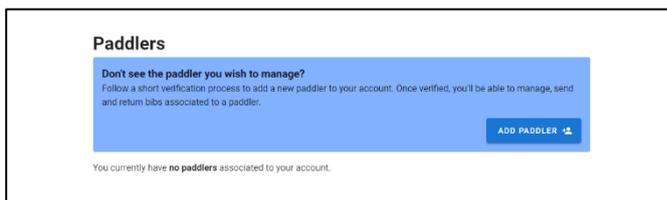

Sample Screenshots

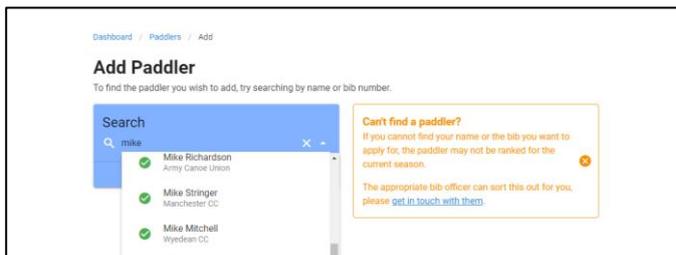

Sign On/Sign Up

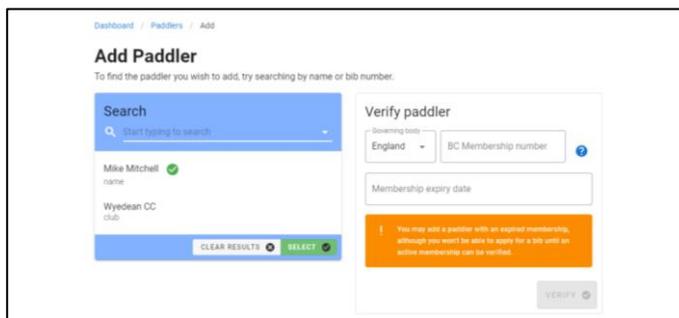

After logging on, this is the initial screen - the "Dashboard"

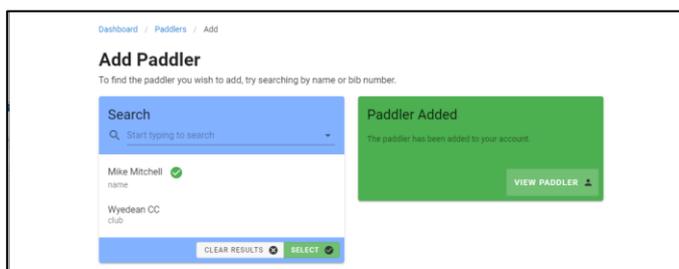

Initially you will need to add paddlers. Select "Paddlers" to view paddlers connected to your account or to add a new paddler

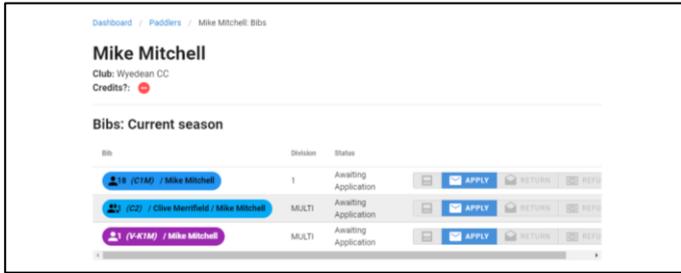

The search box allows you to find the paddler you want to add

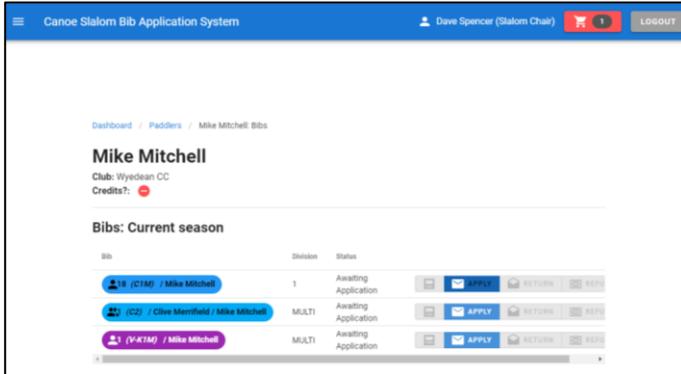

Select the paddler and add Membership No and Expiry Date to verify

You will receive a confirmation that the paddler has been added. Select "View Paddler" You can return to "Paddlers" to add more paddlers at this point.

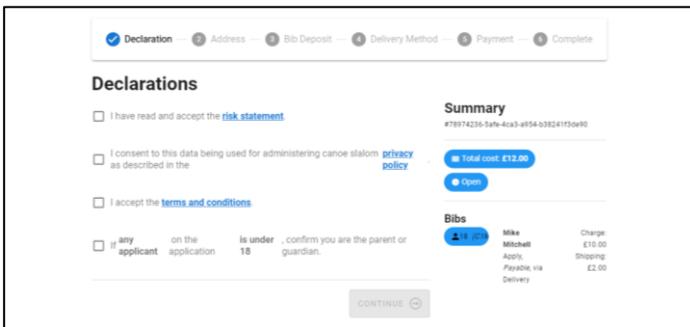

Selecting a paddler shows all associated bibs along with current status.

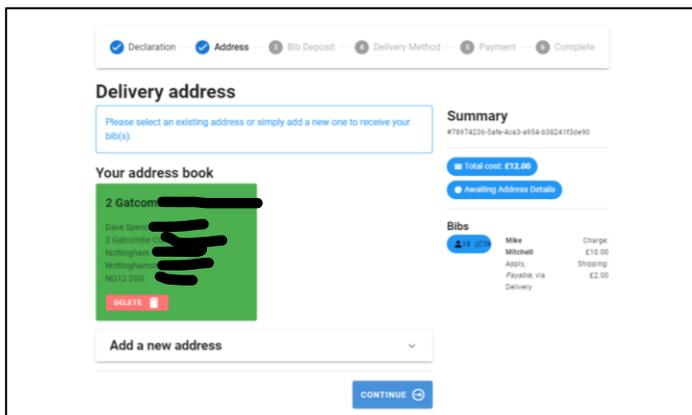

Select "Apply" for the desired bib and this is added to the basket at the top of the screen. Multiple bibs can be added at this point.

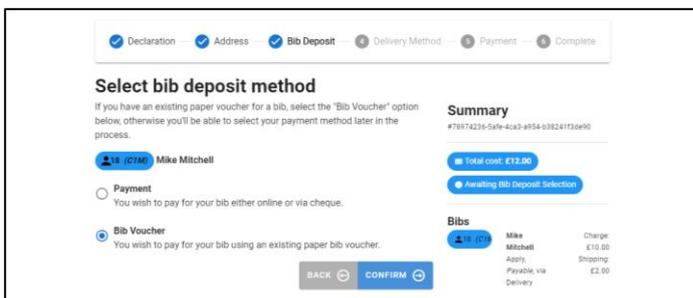

When applications are complete click on the basket and then "Begin Application"

These are the standard declarations that were on the old application form and must be ticked before proceeding.

Add a delivery address using postcode lookup or select a stored address. If you want some bibs to go to a different address then you will need to make a separate application.

If there is an bib credit in the system this screen will not be shown. If you have a bib voucher it can be declared otherwise a bib deposit of £10 will be charged
