

British Canoeing – Canoe Slalom

International Panel – Selection Announcement – 25th May 2021

It was fantastic to see everyone back in action at Holme Pierrepont after such a long gap and thanks to everyone for adapting to the revised rules to be covid secure. In particular thanks to the volunteers and officials who delivered the event and for Stafford and Stone Canoe Club who organised the event on behalf of British Canoeing.

Most importantly thanks to the athletes for giving us some exciting racing performances and demonstrating how hard people have been training with challenging circumstances and in some cases limited access to training facilities. Well done and thanks to all involved such as parents and families who continue to make sacrifices to support being on the start line.
