Congratulations & Welcome to the National Ranking System

Thank you for successfully competing at the Division 4 race, which we hope you enjoyed.

To recognise your achievement you can apply for an official promotion certificate by visiting www.canoeslalom.co.uk/welcome. This page also outlines what you need to do to join the National Ranking System and continue your journey in the exciting sport of Canoe Slalom.

To compete at Division 3 you will need to apply for a numbered race bib which is used to record any points you achieve at races and to show your ranking against other paddlers. Additionally, you will also need Comprehensive Membership of British Canoeing, Canoe Wales, The Scottish Canoe Association or the Canoe Association of Northern Ireland (depending where you live).
