Appeals

The Paddle UK selection policy has a clear appeal process as outlined in the policy and can be found [here](#). Please remember that any appeal must be submitted within 2 working days of the publication of this statement to the Director of Governance at: appeals@paddleuk.org.uk. Any Appeal would be heard by three members of the Paddle UK Disciplinary and Appeal Panel Register (More details can be found [here](#)). If you object to any potential Panel members hearing your Appeal, please detail this in your Notice of Appeal as well as outlining the reasons for the objection.

Qualification for the 2025 Selection process

Whilst the IP will not publish a draft 2025 selection policy for consultation until the autumn and a final policy in December 2024, the IP wishes to clarify that eligibility for 2025 selection will be determined by reference to 2024 national ranking (there is no additional qualification process). The Canoe Slalom eligibility will be as follows:

	<i>2024 Team Members</i>	<i>2024 National Ranking</i>
<i>Senior</i>	2024 Senior Team members (top 3 Canoe Slalom & top 3 Kayak Cross)	Ranked in Premier on 1.2.2025
<i>U23</i>	2024 U23 Team members (top 3 in Canoe Slalom & top 3 Kayak Cross) if still eligible	Ranked in Premier on 1.2.2025

Junior Selection: All eligible junior athletes ranked in Premier for the 2025 season PLUS eligible juniors stated below from the final end of season 2024 Division 1 National ranking are eligible to compete by 'paddling up':

MK1	MC1	WK1	WC1
Top 16 div 1	Top 6 div 1	Top 8 div 1	Top 3 div 1

For kayak cross, more information will be provided once a clearer picture of the format is determined and the feedback from the process below is able to be considered.

Important Information on Stage 3 of the Paris 2024 Olympic Team Selection Process:

The Canoe Slalom and Kayak Cross International Panel (IP) met on 15th April 2024 and noted an update to the schedule for the World Cup Event in Prague on 8th/9th June. The race organisers have confirmed that the Kayak Cross race will be run as an Olympic Qualifier and not as a World Cup Event attracting ranking points. As such, the IP agreed that individual performances in the Kayak Cross races at this event will not be recognised as 'World Cup Events' for the purposes of sections 14.2.1.1 and 14.2.1.2 of the Canoe Slalom & Kayak Cross Paris 2024 Olympic Team Selection Policy.

The IP notes that this will provide the opportunity for the team to focus on prioritising qualification of a quota place for Team GBR.

Questions?

The International Panel recognises that the selection policy can seem a complicated process and in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP at enquiries.internationalpanel@paddleuk.org.uk.
