

Application to run a Slalom Ranking Competition

Competition application (except for submission of a Safety Plan) is an online process hosted on www.canoeslalomentries.co.uk/calendar-applications. . You (as the applicant) will need to login to complete the application form and there are help screens to assist you. Calendar application is in three stages with the following **deadlines**:

Initial Application	Premier/Division 1: 1 st July All other Divisions: 1 st September
Submission of Safety Plan	At an absolute minimum, 72hrs before the start of the ACM
Full Application	15 th December

Initial Application

The Initial Application is minimal detail required to show the club's intention to hold a competition. Immediately following completion, the application is published on the online calendar. This gives an early indication of potential race clashes and the opportunity to negotiate with other organisers at the earliest opportunity.

Safety Plan

The Safety Plan, which must be specific to the organising club, location and date of the intended competition, should be submitted to the Safety Officer, Peter Curry, at peter@limekilns.plus.com Failure to do so will result in the application being rejected

Full Application

Following approval of the calendar at the ACM, the applicant will be sent an automated email requesting submission of the Full Application for publication. This should also be completed online at www.canoeslalomentries.co.uk/calendar-applications

If you have any questions, please direct these to the Managed Calendar Officer, Dee Lindesay at dee@lindesay.co.uk
